JUSTIN ODO

Jodo@scu.edu | jodoscu.github.io/Portfolio| github.com/JodoSCU | www.linkedin.com/in/justin-odo

EDUCATION

Santa Clara University, Santa Clara, CA Jun 2026

B.S. Computer Science and Engineering

Relevant Coursework: Calculus 1| Calculus 2 | Calculus 3| Multivariable Calculus | Probability & Statistics| Logic Design| Embedded Systems| Data Structures | OOP & Advanced Data Structures

TECHNICAL SKILLS

Programming: C/C++, Python, Java

Software: Git, Linux, Cypress

EXPERIENCE

Software QA/Test Engineering Intern Apr 2023 - Sep 2023

NeauroLeap Corp, San Jose, California

- Built testing scripts to stress test functionalities across 6 company websites and ensure consistent performance every 24 hours.
- Utilized Cypress and Java to deliver quality assurance across all company products and 100+ components.

James Logan High School Tutor Sep 2021 - May 2022

Math & Science Mentoring, Union City, California

• Tutored and prepared students, in Algebra 1 to Calculus BC, for upcoming exams and reinforced key concepts to ensure academic success.

PROJECTS

Hack 4 Humanity Finalist: Project Safe Water (Python, Flask)

- Finished top 6 in a 24-hour humanitarian hackathon against 350+ competitors and created an educational and informative application on local water conditions and provide users with directions to safer alternatives for water.
- Developed data management system using Python, Flask, and OpenStreetMap's API to display coordinates of nearby water sources such as vending machines, water fountains, and wells in 2,400 counties.

Personal Portfolio Website (HTML, CSS, JavaScript)

- Built responsive personal portfolio website with parallax scrolling effect using HTML CSS and JavaScript.

LEADERSHIP AND PROFESSIONAL DEVELOPMENT

Management Leadership for Tomorrow Jan 2024 – Present

Career Preparation Fellow

- Accepted into a selective 18-month professional development program for high-achieving diverse talent.
- Complete business case studies and assignments to grow leadership and technical skills.
- Attend conferences hosted by industry leaders, such as Deloitte, LinkedIn, and Target.

Curriculum Developer Sep 2021 - May 2022

Titan Club, Union City, California

- Developed a coding curriculum aimed at elementary and middle school students. Was tasked with developing challenging python and scratch-based projects.

ACTIVITIES

- **NSBE** - National Society of Black Engineers
- **Theta Tau** – Professional Development engineering fraternity
